## Interests

- In my spare time, I enjoy doing Competitive Programming and I have active accounts in HackerRank, Kattis, HackerEarth and CodeChef.
- I love Music, from Classical to Rock. I also play different instruments, but the guitar is my favorite.
- Videogames were my first passion as a child. My most played genres are Adventure, Role-Playing and Arcade.
- Travel and getting to know new places and people is something that I enjoy. Someday, I will go all the way around the globe!
